Kubota Engines

Kubota, is a globally renowned manufacturer of world-class oil and water-cooled diesel and dual-fuel engines, known for their exceptional performance, low noise, cleaner emissions and excellent fuel economy. As well as being known as one of the world's top-class manufacturers of compact diesel engines, they are famous for being the first manufacturer to pass the U.S. CARB ULGE* emission regulations for engines under 19 kW (25 HP).

New Engine Sales

Our Engine Sales and Application Engineering Team will assist you in choosing the right Kubota engine to meet your specific application and power needs.

Mitchell Powersystems is here to provide a complete end-to-end service throughout the life cycle of your Kubota engine, supporting you with UK-wide Service Support and Genuine Parts.

Service Support

Our qualified Service Engineers and Technicians are fully factory trained and experienced in a wide range of Kubota engine products, allowing them to quickly diagnose, fix and repair issues you may have with your engine/equipment minimising downtime and maximising uptime.

We also offer full overhaul and repair services, using only Genuine Parts to return your Kubota engine to a just-like-new condition.

Genuine Parts

Every part for every Kubota engine contributes to its outstanding performance, which is why when you fit Kubota approved parts you can be assured of the highest standards of quality and engineering excellence to deliver unrivalled reliability, efficiency, and productivity, supported by a full 18-month warranty *when fitted by Mitchell Powersystems for complete peace of mind.

Genuine Parts

We also stock and supply genuine Kubota engine parts and are equipped with state-of-the-art parts ordering software, ensuring you have access to the right parts, at the right time covered with a full warranty.

Our central warehouse and distribution hub located in Sutton-in-Ashfield distributes Kubota parts across the UK for next day delivery or parts can be collected during normal working hours.
